## Interior hoardings and vinyl wraps

Interior branding and hoardings for retail, residential and public spaces. Using the latest in materials and print, we can realise your creation with our expert technical advice and design assistance. Making your creation a reality. Our install team will deliver a seamless install and finish to your creation.

## Exterior building wraps

PVC printed hoarding wraps, Vinyl and window films,  
**Aluminum permanent displays**

We are used to the unusual and the technical aspects of what it takes to realise some of our clients ideas. These images show, just what can be achieved with the right materials and installation by BFG. Ask us for more information on the artwork creation, technical assistance and production support we can offer you and your project.

## Outdoor hoardings

Superb print onto outdoor grade Aluminium sheets, Foamex or PVC wraps. We offer a range of seals from satin Matt to popular gloss graffiti seal. We combine expert Installation, with sound technical advice on production and install solutions that create a seamless final result. Providing a fast effective service, we cater for all your ideas, from simple straight forward installs, to complicated designs that might include more creative ideas and materials. Quality print solutions for permanent and temporary installations for retail, housing, shopping centres and own brand companies. Using the latest in print technology and materials to create seamless installs.
